Re: Contracting Out

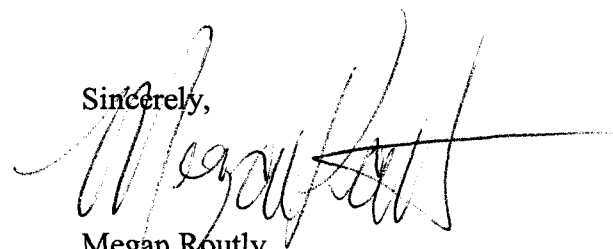

Dear Mr. Massy:

In accordance with article 29.02 of the Collective Agreement between TELUS and the Telecommunications Workers Union (TWU), we are hereby providing notice that effective November 27, 2006 we will outsource the registration of basic, mass market contracts to TELUS International.

This decision arises from the requirement to allow some temporarily redeployed bargaining unit resources to return to their regular jobs while continuing to clear a backlog of contract registrations.

Please contact Kevin Werstiuk at (780) 493-5179 if you require further information.

Sincerely,

Megan Routly
